

Round Table

AUSTRALIA'S
**MINING
MONTHLY**

Working towards industry solutions

Round Table, presented by *Australia's Mining Monthly* and *MiningNewsPremium.net*, is a unique discussion forum for the supply side of the resources industry.

The events offer an opportunity for senior executives from mining and oil and gas companies, industry associations, and members of government to share thoughts, insights and ideas on the current issues that concern them and the wider resources industry. Topics for upcoming events include Carbon Tax, Skills Shortages, Infrastructure, Approval Processes and Land Use.
